Dear Members:

We miss you! This period of isolation is difficult for all of us. We hope you are coping as best you can and minimizing your potential for contracting COVID19. Like many businesses and individuals, we are feeling the economic effects of recently mandated closures. We understand that some of you may need to “tighten your belt” for the foreseeable future, and we empathize with you. We are hoping, however, that those of you who are more comfortably situated can provide a little assistance to Oak Crest in one or both of the following ways:

- ❖ If you have not already paid your 2020 membership, please consider doing so now. If a partial payment over a period of time would be more convenient for you, we will certainly work with you on that.
- ❖ We are offering food for take-out on Tuesdays and Fridays. Call in an order, swing on by the clubhouse, and Whitney will provide curbside delivery to you. On Tuesday, we offer the chicken-and-spaghetti or burrito 2-fer special for \$16.95. Our standard pub menu items are also available. Our Friday menu has been slightly altered, but we still have a wide selection of tasty items from which to select. Attached you will find our pub menu as well as our Friday Take-Out Menu. You may call either 563-9046 or 563-5891 to place your order.

We have ongoing expenses that need to be paid and little income at this time, so we hope you understand why we are making this appeal to you. We are grateful for your continued support and appreciate any assistance you are able to render at this time.

Stay safe. Best wishes to you and your loved ones. We continue to hope and pray for a timely resolution to this frightening issue. Together (but six feet apart), we’ll get through this.

Best regards,

Kevin, Linda, and Sue
